

Schedule a visit - Member Instructions

From the Sumter Family YMCA app

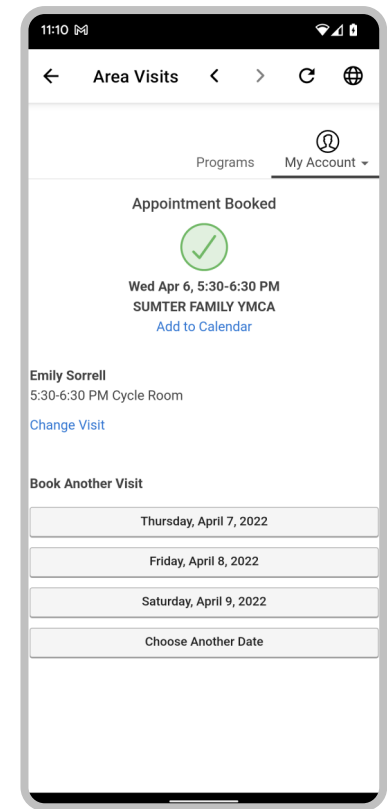

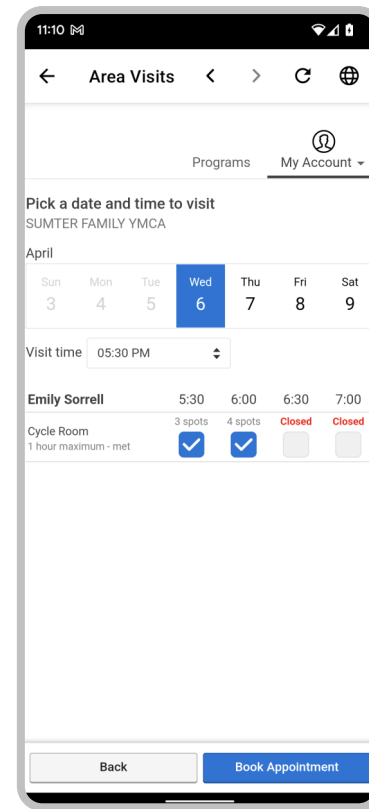

- Click on the tile "So Much More"
- Click on the "Schedule a Visit" button
- Log into your online account with your phone number or email
- Select a family member
- Select the area and click next

Schedule a visit - Member Instructions

- Select the day
- Select the visit time from the drop down menu
- Select the time range (there is a 2-hour limit).
- Click on Book Appointment
- User will then see a confirmation screen that will enable them to make changes or add additional visits.
- When done, remember to log out through "My Account"

If you are not able to attend, we ask that you cancel your reservation to make room for other members.

- Click on "My Account"
- Scroll down until you see Appointments
- Click on View Details
- Then click on Cancel
