Intensity Level	Gentle	Low	Moderate	Elevated	High
Color guide					

GROUP EXERCISE CLASS DESCRIPTIONS – Classes are 55 minutes unless otherwise specified

Gentle

Restorative Yoga: A slower practice where relaxing postures are held for longer periods of time and supported with props to allow strain-free, physical, mental and emotional relaxation

Tai Chi: A noncompetitive, self-paced and gentle class. Postures flow to ensure constant motion. (50 minutes)

Low Intensity

Senior Workout: A time for the senior community to gather and maintain their aqua exercise routine.

Silver Sneakers: 45-minute low impact workout to improve stamina, strength, suppleness, and stability.

Yoga: In this 45-minute all level class, learn to link breath to movement while stretching and strengthening your body.

Moderate Intensity

Barre: A low impact muscular endurance workout, using a mixture of small and isometric movements, with extra focus on the muscles of the legs, hips and core.

Cardio Sculpt: A 45-minute low to moderate impact class that focuses on cardio and strength training.

Flow Fusion: Strengthen, lengthen and ignite your full self in this heat-building fusion of Mindfulness, Yoga and Pilates.

Pilates: A traditional series of stretches on the mat focusing on the “powerhouse” (the core). Lengthen and Strengthen from head to toe.

Elevated Intensity

Chisel: A resistance training class designed to strengthen your entire body in 55 minutes.

Cycle Fusion: Challenge the heart and muscles with a mix of cycle, strength exercises, and core.

Functional Fitness: 55-minute, full body, scalable workout to challenge you in all planes of motion.

RIP® by Group Rx: A full-body barbell class that uses Rhythm, Intensity, and Power to tone and define the muscles.

Zumba® : Easy to follow dance fitness class using internationally inspired moves & rhythms.

High Intensity

Boot Camp: Engage in this 45-minute conditioning workout focusing on the pillars of fitness and performance. The workouts are scalable to match athletes of all ages and abilities.

Burn45: Jump Star your day with this full body, high intensity interval workout designed to help you push your limits and strengthen your abilities. Options that match your best intensity will be encouraged. Stay after class for a 15 minute guided deep stretch

Cycle: Musically driven intervals designed to simulate various terrains. Work at your own comfort level while climbing the hills, racing the flats, and increasing strength and stamina in the legs and lungs.

Cycle Xpress: A 45-minute indoor cycling class using great music to motivate your morning.

MX4 Plus: 40-minute, 360° interval workout using a variety of equipment in the Functional Training Studio .

STRONG Nation™: Bodyweight, Sport and Kickboxing moves Synced to the music for motivation.

T-50: Functional training and corrective exercises, focusing on power, strength, stability, mobility and endurance.
