FOR YOUTH DEVELOPMENT®
FOR HEALTHY LIVING
FOR SOCIAL RESPONSIBILITY

We recognize that military spouses and families need a place to be healthy, find support and belong.

Warriors to Wellness is a program designed to support all military, with an ID, and their families to help make life easier by offering reduced cost or free programs and services.

The YMCA appreciates and recognizes the commitment, service and sacrifice made by our military and their families. We fully support our military and invite you and your family to be a part of our YMCA where you can be mentally, physically, emotionally and spiritually strong.

PURPLE HEART RECIPIENTS**	✓ With ID	✓ With family type membership	✓	✓			✓

We understand that military families are under enormous strain, and that military life comes with unique challenges. Deployments and frequent moves can be a stressful and uncertain time for our nation's service men and women. The YMCA is proud to offer membership opportunities for past and present military personnel. As members of the YMCA, you and your family can spend quality time together and enjoy fun activities in a warm, supportive environment. It's also a great place to meet other military families who can relate to your unique situation.

*With one parent away from the household, the remaining caregiver can become overwhelmed by added responsibilities. To support the families of deployed airmen and soldiers, we developed a new membership category. Deployment orders must be presented in order to begin the membership. For the period of deployment, spouses and/or families are eligible for a special monthly rate. Please contact member services for more details.

**Purple Heart Recipients are eligible to receive a complimentary individual Health Services membership, renewed annually. Memberships may be upgraded to include legal dependents at an additional cost. In addition, we offer a designated "Purple Heart Recipient" parking place to recognize and appreciate those wounded in service to our country. Our YMCA fully supports the service and sacrifices of our military. This is a small way that we can give back and show our gratitude.

Discount is applicable with proof of service for active, retired or veteran. Current members must request benefits at the member service desk.
