## WELCOME TO THE SUMTER FAMILY YMCA

The Y is a nonprofit like no other. We are a powerful association of men, women and children joined together by a shared commitment to nurturing the potential of kids, promoting healthy living and fostering a sense of social responsibility. We believe that lasting personal and social change can only come about when we all work together to invest in our kids, our health and our neighbors. That's why, at the Y, strengthening community is our cause. Every day, we work side by side with our neighbors in our community to make sure that everyone, regardless of age, income or background, has the opportunity to learn, grow and thrive.

We proudly participate in the Y-USA nationwide membership program. Nationwide Membership enables you to visit any participating Y in the U.S. through membership with us. We offer this because we want to help you reach your health and wellness goals wherever you live, work or travel. This is an essential part of our cause of strengthening communities. Ask a membership associate for additional information.
