

# LET'S DREAM BIG

Dear Friend of Camp Mac Boykin,

In 1952, Camp Mac Boykin was established after YMCA supporter MacWillie Shannon Boykin left some property and a portion of his estate to the Sumter YMCA to establish and run a children's Summer Camp Program. Camp Mac Boykin is nestled in Manchester State Forest near Pinewood and Wedgefield, and has served thousands of Sumter-area youth with summertime experiences for over four generations now. As Camp Mac Boykin celebrates its 75th Anniversary in 2027, we dream of a future where even more youth will be provided a safe place to grow and explore and be nurtured in a healthy, outdoor environment. It is our dream to enhance and expand this wonderful land and the community of families who can share the experience and grow stronger at Camp Mac Boykin.

**Camp Mac Boykin has always been a place of growth, discovery and connection. To meet the growing needs of our community, we are embarking on a transformative campaign to create a modern, four-season facility that can serve families, groups and youth year-round. But we need YOUR help!**

Our Vision includes:

- **Upgraded and rebuilt cabins:** Modern, comfortable, and accessible cabins that will replace our aging structures, allowing us to house more campers in comfort and extend our season.
- **Upgraded recreational facilities:** State-of-the-art facilities that expand our program offerings and provide exciting new opportunities for healthy living and outdoor play.
- **Essential infrastructure improvements:** A necessary investment in our core systems to ensure safety and sustainability for decades.
- **Year-round rentals and family use:** The ability to open our doors to school groups, environmental education, corporate retreats, and family getaways throughout the year, sustaining our mission and serving more people.

**This is our chance to build a camp not just for summer, but for all seasons. Join us as we build for the future and create a powerful hub for community connection, year round! Your gift will support Camp Mac Boykin's excellent programming, facilities, counselors and staff, and ensure that we can serve for years to come!**
